Summary

Experienced web developer with a strong background in PHP, Laravel, Bootstrap 5, HTML, and CSS. Proven ability to design and develop dynamic, user-friendly, mobile-responsive web applications. Adept at collaborating with teams and managing projects to meet deadlines.

Professional Experience

Web Developer

FXD Technologies - Pune, Maharashtra (April 2024 - Present)

- Developed and maintained web applications using PHP and Laravel framework.
- Designed responsive and user-friendly front-end interfaces with HTML, CSS, and Bootstrap 5.
- Collaborated with cross-functional teams to define, design, and ship new features.
- Optimized applications for maximum speed and scalability.
- Implemented RESTful APIs and integrated third-party services.
- Assisted in the development and maintenance of web applications using PHP and Laravel.
- Created and modified HTML and CSS templates to match design specifications.
- Ensured cross-browser compatibility and responsive design using Bootstrap 5.
- Participated in daily stand-ups and bi-weekly sprint planning meetings.
- Troubleshoot and resolved website issues and bugs in a timely manner.

Projects

Political Website

- Developed a fully functional e-commerce website using Laravel, PHP, HTML, CSS, and Bootstrap 5.
- Implemented user authentication, email sending, dependent dropdown list, and review feature.
- Designed a responsive user interface ensuring compatibility across various devices.

Project Management Tool

- Utilized Laravel and MySQL for backend development and Bootstrap 5 for the front-end interface.
